Abstract

How effective is export promotion in developing countries? Empirical evidence in this respect is rather scarce. We aim at filling this gap in the literature by providing evidence on the impact of export promotion on firms’ export performance in Peru over the period 2001-2005.

Keywords: Export Promotion, Firms, Peru

* We would like to PROMPEX and SUNAT for kindly provided us with export data, and employment, location, and starting date data for Peruvian firms, respectively.
